ANGEL TREE PROJECT IMPACT REPORT 2022

OVERVIEW

The Angel Tree Project (ATP) is a PFS initiative rolled out annually under “Seventy Times Seven / 70x7”, whereby inmates’ handwritten letters, containing their messages seeking forgiveness and reconciliation with their family members, are personally delivered to their families. The primary objective of the Angel Tree Project is to instill the hope of restoring broken relations with their loved ones.

It aims to reflect our Heavenly Father’s call to all His children to seek forgiveness when one has sinned against others and to live in peace with others in our community. These reconciliatory letters are personally delivered to the inmates’ families by PFS volunteers from our ATP participating churches during Christmas. Gifts sponsored by our supporters are also dispatched together with these letters, to bring Christmas cheer to the recipients.

TESTIMONIES OF OUR VOLUNTEERS

"The Angel Tree Christmas visit is a meaningful project. The beneficiary's attitude changed when we introduced ourselves as volunteers from PFS. Despite his busy schedule, he made time to meet us and invited us into his house. He shared openly about his sentiments and hope for his son, and was very appreciative of our visit. The visitation shows the beneficiaries that the church remembers and cares for them."

"工作虽然很简单，但却很有意义，我们就
像是一道桥，把狱中的囚犯和家人的关系
和感情联系修复起来。他们虽然被关在牢
中，不能与外界联系，可是他们知道这个
世界并没有遗弃他们，他们的家人仍然在
等待着他们。"
